STAT

Suggest the entire office be invited because of interest but also because from a practical standpoint, we need at least 20 people to justify use of 1/2 of the dining room.

Favorable comments about a previous luncheon of filet mignon suggest a repeat for this lunch. However, other things available are:

Chicken Cordon Bleu

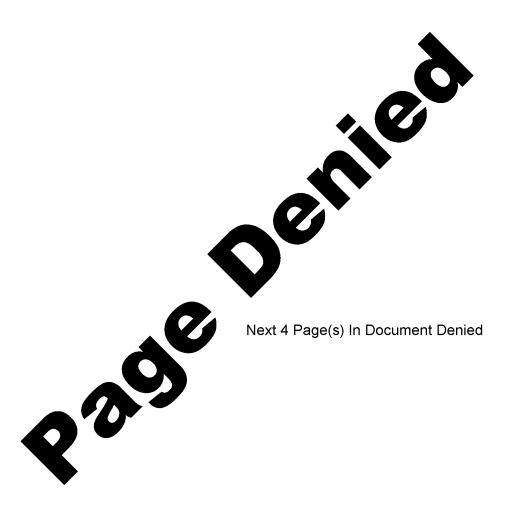

Veal Cordon Bleu

Cornish Hen w/rice

Chicken Breast w/wine sauce

Do you want wine? drinks?

BIG QUESTION: How do we pay for this.
